PROFESSIONAL EXPERIENCE

vivovii - UX/UI Design Intern

Toronto, ON | May 2018 - August 2018

Spearheaded the design and development of vivovii's brand new website aimed to; increase conversion rates, improve SEO, and produce a genuine user experience.

I created a design system for multiple platforms regarding web, app, powerpoint, and promotional material. Performed a UX audit to assess current website standing, as well as, a competitor research.

Worked alongside companies such as QuadReal, Masco, Manulife, and Lifelabs to create proposals for C-Level executives.

AniCa Studios - Web and Graphic Designer

Toronto, ON | June 2017 - June 2018

Redesigned and developed AniCa Studios main website using HTML, CSS, and JS with the Bootstrap framework.

Produced app icons, graphic posters, website banner promotions, and marketing material for Kanpai, Anime North, and internal promotion.
